Administration

School Board

We are happy to take this privilege to offer, the best we can, our appreciation to the Board of Education.

It has been only by their knowledge, sacrifice and loyalty that our school is what it is today. For this we wish to say, "Thank You".

The members are: A.C. Ford, Lecil Chandler, President; Nelvin Tipton, Jack Tidwell, John Allen, Secretary; John McKinzey, Sam A. Moore, Superintendent; R. T. Bunch.

Superintendent's Message

We are grateful to the Senior Class for our first annual.

We want to thank our advertisers and everyone that contributed to our 1955 "INDIANS".

I realize it is mostly a product of the Senior Class, but the "Spirit of Lipan High" was necessary to accomplish this task.

Reflections

● Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-five edition, will take its place in your heart as a pictorial history of the "good ole' days."

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.
